

Texas State Takes Action Initiative

PRIDE *in* ACTION

THE CAMPAIGN FOR
TEXAS STATE UNIVERSITY-SAN MARCOS

Alex Hering came to Texas State from El Paso because "it felt like home." The faculty made her feel welcome and important. She is now a junior majoring in mass communication, supported by scholarships. Alex has interned at the Laredo Morning Times and with the Scripps Howard Foundation in Washington, D.C.

**GIVE
TODAY**

Dear Friend,

We are gaining momentum!

And we are grateful for your generosity toward the Texas State Takes Action Initiative to help students hurt by the economic crisis. If you have already given, *thank you!* We want to keep you on our distribution list so that you can see our updates. If you have not yet given, there is still time before **June 30**, when we need to have our funds in order to award them to students for the fall semester. Give now.

Our progress is notable:

- We have received 510 gifts for a total of \$56,571.67.
- Gifts have come from faculty, staff, alumni, parents and friends of the university – a wide spectrum of people who have stepped up to help our students.

All gifts are important. Gifts of \$1,000 or more are President's Associates level. Give now at whatever level you can. Last year contributions of \$100 or less totaled more than \$400,000 and together made an incredible difference to

our students.

Our future is in good hands with our students, but they need our help now. Join our Texas State Takes Action Initiative today.
